

Pharmaceutical Biochemistry final exam 2016.

Signature of the lecture book:

Signature is not needed in the new (green colored) lecture books. The old type (black) lecture books have to be signed, but you should bring it only for the exam, it will be signed for the following day.

Final exam:

The final „A”, „B” and „C” exams are written exams. On the exam 100 points can be collected by 40 test questions from the material of the Pharmaceutical Biochemistry lectures. Each good answer worth 2.5 points. Bonus points collected by the control tests during the semester will be added to this result.

60 % (60 points) is needed to get a passing mark, and the grade increases with every 10 points: 60-67.5 pass; 70-77.5 satisfactory; 80-87.5 good; 90-110 excellent). If a student fails the written „C” exam, department provides him/her a chance to provide his/her knowledge in an oral exam, in front of an examination committee. If the student passes this oral exam, he/she will be given a grade 2 (pass). The department will provide one examination date per week during the exam period.
